173 MASONS AT ANNUAL DINNER TUESDAY NIGHT

Wilmer King, acting postmaster of Harrisburg, told 173 Masons gathered at the American Legion for the St. John's Day annual banquet of Good Samaritan Lodge No. 336 Thursday evening that "masonry means the opportunity to serve, inspiration and brotherly love."

The speaker was introduced by George T. Raffensperger who said that King's great-grandfather had fought in the Battle of Waterloo "to the amazement of the speaker."

Claude O. Meckley, district deputy grand master of the Lodge of Pennsylvania, said that it was "an honor and joy to work with the officers of Good Samaritan Lodge." He presented a past master's apron, lapel button and jewel to Paul A. LeGore, worshipful master of the lodge for 1955.

Introduce Guests

Guests introduced included: Irvin R. Becker, division commander of Knights Templars; Paul G. Penninger, principal of Fourth Masonic District School of Instruction; officers of Patmos Lodge, Hanover, and officers of Hebron Lodge, New Oxford.

Out-of-town guests were from Washington, D. C.; Port Knox, Kentucky; New Haven, Conn.; Williamsport, Carlisle, York, New Oxford, Shippensburg, Emmitsburg, Md.; Harrisburg, Baltimore, Chambersburg and Mahanoy City lodges.

L. William Collins, 1956 worshipful master, introduced the new officers. He also introduced his father, L. W. Collins.

Samuel Higinbotham, past principal for the Fourth Masonic District School of Instruction, presented a gavel to L. William Collins on behalf of the latter's wife.

Past masters introduced and the year of their term were: J. Alfred Holtzworth, 1908; Thomas J. Winebrenner, 1920; Lloyd C. Keefeaver, 1928; S. Lester Scott, 1935; Frederick G. Pfeiffer, 1936; Ray J. Kitzmiller, 1940; Guyon E. Buehler, 1941; George T. Raffensperger, 1942; Harman H. Spence, 1944; Kenneth P. Hull, 1945; Paul W. Little, 1947; Arnold E. Orner, 1948; John V. Hawbecker, 1951; Kenneth W. Johns, 1952; Paul G. Penninger, 1954.

Rev. Dr. Ralph R. Gresh gave the invocation and Rev. Dr. Howard S. Fox, who also served as pianist, gave the closing prayer. Richard Shade led the singing. William H. Musser Jr., senior warden, was in charge of arrangements for the dinner.

NUN EXPIRES ON TUESDAY

Sister Mary Elizabeth Martin, 78, a Sister of Charity, died Tuesday morning at Villa St. Michael, Baltimore. She had been in ill health for several years. A native of Gettysburg, the deceased was the former Miss Estelle Martin, daughter of the late Capt. and Mrs. William J. (Mary Norbeck) Martin. She observed her golden jubilee in the Order in January 1954.

Sister Mary Elizabeth was a graduate of St. Francis Xavier Parochial School and St. Joseph College, Emmitsburg.

She is survived by the following nieces and nephews: Mrs. George F. Eberhart, Mrs. Fred S. Faber and Mrs. Grace Mears, Gettysburg; Mrs. Harry Breighner and John Martin, New York City, and Albertus Martin, Burlington, Ia.

The funeral will be held from Villa St. Michael Thursday morning at 9 o'clock with a Requiem Mass. Interment will be in St. Joseph College Cemetery, Emmitsburg, where the Motherhouse of the Eastern Province of the Sisters of Charity is located. Mr. and Mrs. Eberhart will attend the funeral Thursday.

VFW MEETS TONIGHT

Safety Council Predicts 420 Holiday Traffic Deaths

By WILLIAM J. CONWAY
CHICAGO (AP)—Experts who forecast an all-time high traffic toll for the Christmas holidays now predict a record for the New Year weekend.

The National Safety Council today estimated that 420 Americans will be killed on streets and roads during the three-day New Year celebration — "unless there is a sharp improvement in the driving habits that shocked the nation last weekend."

The council predicted 560 motor vehicle fatalities for the three-day Christmas holiday. The number added up to 609.

The record for traffic deaths during a New Year holiday is 407. It was set during a four-day period at the end of 1952 and the start of 1953.

39,980 Deaths in 10 Months

Jr. Student Council Donates \$15 To Chest

The Gettysburg Community Chest has received a \$15 check from the Junior High School student council, it was announced Tuesday by John C. Stahle, campaign chairman.

A letter from James R. Feather, faculty advisor, which accompanied the check, explained that "an annual custom and as a Christmas project" for the Junior High students. Funds for the donation were raised at a Junior High carnival held at the school on December 2.

The check was signed by the council treasurer, Patricia Timmons, and G. W. Lefever, high school principal.

Mr. Stahle said the Chest fund now stands at \$16,054.35.

COUNTIANS MAY OWN \$7 MILLION STOCKS, BONDS

Approximately 1,000 countians, who own nearly \$7,000,000 worth of stocks, bonds, mortgages, judgments, etc., are receiving their annual "Christmas present" from the Adams County commissioners, forms on which to make returns, by January 15, so that they may pay the correct amount of four-mill personal property tax.

Last year countians reported \$6,700,000 worth of bonds, mortgages, judgments, etc. The county received approximately \$27,000 from its four-mill tax.

This year county officials expect the amount will exceed the \$7,000,000 mark, the highest in history.

And that estimate by the commissioners is a highly informed one. The personal property tax is on mortgages, judgments, articles of agreement and stocks and bonds of corporations not incorporated under the state laws of Pennsylvania. Because governments are cooperative, messages pass back and forth between states and counties during the year which generally lead some startled person to ask: "How in the world did you know I had that mortgage in such and such a place?" or similar words concerning articles of agreement, judgments, etc.

List All Securities

The commissioners suggested that persons filling out the returns list all securities owned, if there is any doubt in their mind concerning their taxability. Only those which are actually taxable will be assessed. Or if preferred the owner of the securities may inquire at the commissioners' office as to whether or not certain bonds and stocks are taxable.

The personal property tax is a state-wide tax assessed and collected by the county for the exclusive use of the county, and is not to be confused with similar taxes in other states where furniture, automobiles, farming implements and machinery are assessed.

Most countians are receiving their personal property tax forms direct from their local assessors.

The 1955 supplies were placed in the hands of the assessors some time ago. Some will receive the forms direct from the commissioners because there are no

Week Of Prayer At Biglerville Churches

Community Week of Prayer services will be held in Biglerville the week of January 1 with "A Pilgrimage In Prayer" as the theme.

The services will be as follows: January 1, 7 p.m., at St. Paul's Lutheran Church, Biglerville, with Rev. Laverne Rohrbaugh speaking on the subject, "Commitment for the Journey"; January 4, 7:30 p.m., Centenary EUB Church, Biglerville, with Rev. Nevin R. Frantz speaking on "Failure and Recovery"; January 8, 7 p.m., at Trinity-Bender's Reformed Church, Biglerville, with the Rev. Dr. H. W. Sternat speaking on the subject "We Desire A Better Country."

dent, set forth in a statement. "But we hope the terrible lesson of the Christmas holiday will be taken to heart by everyone."

Let's look at the "cold figures" of this year. Motor vehicle fatalities through October totaled 30,980. They show a gain of 7 per cent over the total for the corresponding months of 1954.

Statisticians figure the year's toll won't come up to the record of 39,996 set in 1941, but it may approach 38,000.

The blackest of the "cold figures" were recorded this year on holidays.

During the five 1955 holiday periods traffic accidents cost 2,119 lives and the over-all total—including deaths from all accidental causes—was 3,156.

Fireman Falls In Tree Rescue

Fireman Frank O'Shea (arrow), 37, falls when an aerial ladder broke under his weight as he tries to reach John Van Bergen, upper right, trapped in a tree in front of his home on Chicago's West Side. Van Bergen, also a fireman, was cutting a limb from the tree. He secured himself to the tree with ropes. The limb he was cutting fell against the ladder he was using, knocking it from under him. He was brought down safely by other firemen. O'Shea fell onto the steps of home and is hospitalized with a possible skull fracture, broken left arm and wrist and face cuts. (AP Wirephoto)

OFFICERS OF KIWANIS CLUB ARE INSTALLED

Charles S. Graham was installed as president of the Gettysburg Kiwanis Club at a dinner-meeting at the VFW Tuesday night. David Fair, past lieutenant governor of Kiwanis and a member of the Harrisburg club, was the installing officer.

Others who took office were: Harry Spangler, first vice president; Prof. Herbert Hamme, second vice president; Charles A. Coffman, treasurer; Clyde H. Markle, secretary; directors, J. William Ditzler, Sizer A. Burton, Fred E. Garretson, John H. Kintrop, Robert R. McCoy, David W. McDannell and Carl S. Shutt.

Rev. M. S. Reinsnyder, secretary of the Taneytown Club and a Past lieutenant governor, spoke briefly. He took an active part in forming the local club one year ago. A short talk was also given by Harry Koenig from Hanover. The Gettysburg Club was sponsored a year ago by the Hanover and Chambersburg Clubs.

The first anniversary meeting was in charge of Ernest Krape, retiring president, until the installation, and then turned over to President Graham.

Guests included: W. J. Morean, Indiana, Pa.; J. Norman Graham, lieutenant governor, Capitol District; David Smith and Howell B. Royer, of Taneytown; Donald B. Trone.

Group singing was led by Rev. Robert Knechel and piano music was furnished by Miss Ruth Ann Knechel.

6 PROPERTIES CHANGE HANDS

The following property transfers have been registered in the office of the register and recorder:

Cold Wave Sweeps State

By THE ASSOCIATED PRESS

Temperatures tumbled below zero in Pennsylvania central and northeastern mountains today, making those areas among the coldest in the nation.

Bradford reported 7 below, Phillipsburg 6 below and Pleasant Mount in the northeast 5 below zero.

There was plenty of sunshine in all sections, with the mercury rising to 10 to 20 degrees by mid-morning.

Some high thin clouds began to appear in western and central Pennsylvania, marking a shift in winds and the approach of some moisture at high levels over the state.

Some precipitation Friday and a return to colder over the weekend is expected.

Nine above zero was recorded on the official weather instrument on the roof of The Gettysburg Times building this morning.

PLEADS GUILTY TO HIT-AND-RUN

Herbert F. Lloyd, 32, Gardners R. 2, Tuesday evening pleaded guilty before Justice of the Peace John H. Baschore to a hit and run charge brought by state police and posted \$500 bail to appear for sentence court in January.

Lloyd was arrested by state police following an investigation beginning at 7:20 o'clock Sunday evening.

At that time a car sideswiped a vehicle being operated about five miles south of here on the Emmitsburg Rd. by Laura Cresenl, Chevy Chase, Md., causing \$250 damage to the Maryland car. The operator of the other vehicle continued on without stopping.

Police started looking for a black 1950 Buick, as described by Miss Cresenl, and with certain damage to its left side.

They found a car parked in Aspers with about \$200 damage to its side, with green paint apparently rubbed off another vehicle on top of the black paint, and with a piece of chrome from the Crescent car attached to it. They located the owner, and Lloyd freely admitted, police said, that he had hit the other car and continued on.

Bury Mrs. Tate This Afternoon

Funeral services were held at 2 o'clock this afternoon from the Gettysburg First Methodist Church for Mrs. Annie Tate who died at the Warner Hospital at 4:55 o'clock Sunday morning. The Rev. Victor K. Meredith Jr. officiated. Interment was in Evergreen Cemetery.

The pallbearers were: Dr. Ralph Wickerham, Paul Cessna, William Penney, Charles Cook, Wayne Weagley and Howard Kitzmiller.

FIRE DAMAGES BANANA CARGO AT YORK SPRINGS

A tractor trailer load of bananas was damaged enroute from Baltimore to Harrisburg Tuesday evening when the truck caught fire about 11 o'clock after being driven to the side of the road a mile north of York Springs about 9:30 o'clock, because of a flat tire. The fire broke out about 30 feet from the barn of A. B. C. Williams.

Mr. Williams, who was retiring about 11 o'clock, saw a fire in the truck and telephoned the York Springs Fire Department. The firemen, who extinguished the fire, believed it to have originated from the smoldering tire which had burned off the rim and into the bed of the truck damaging a large amount of bananas which were packed in plastic bags.

Mr. Williams retired for the second time. About midnight he looked out to check the truck to find that it was ablaze a second time. The fire department extinguished the fire in five minutes. Besides the loss from fire, many of the bananas froze as a result of the water and low temperature Tuesday night.

Early this morning the truck left for Harrisburg. The amount of damage was not ascertained.

Dr. C. G. Crist Takes Oath Sixth Time

Dr. C. G. Crist, Adams County coroner, Tuesday afternoon took the oath of office for his sixth four-year term, which begins Monday, before Deputy Prothonotary Miss Euna Elcholtz. He appointed Drs. Walter S. Mountain, Roy W. Gifford and Wilbur H. Miller, New Oxford, as deputy coroners. He was the first of the county officials to be "sworn in" for the new term. It is expected that other officials will take the oath of office at a session of court Monday. Arrangements for the special session were being worked out today. Monday is scheduled to be a holiday. Court house offices will be closed.

Some Problems Ready

The new assessment program for the county was inaugurated by the board. In the four years the county provided approximately \$200,000 to the townships and boroughs as county aid for road and bridge work. They moved an election house in Latimer Twp. and electrified the court house clock, among other improvements to the county buildings.

But the old board left a few problems for the incoming one. Paul "Bill" Robert appeared this

COMMISSIONERS MEET IN FINAL 1955 SESSION; 30 JOBS TO FILL

The Adams County commissioners met today with two of the members of the board serving for the last time. The new board will take over on January 2.

J. Blaine Bushey, Arendtsville, only holdover from the present board said he did not know as yet whether the new commissioners would work throughout Monday to make the approximately 30 appointments required of a new board. The salary board also will meet next week to determine the salaries for the various appointed county officials, but it was tentatively believed that meeting will take place next Wednesday when the commissioners meet for the first of their regular weekly sessions.

Normally there is no question about the meetings on the first Monday of the year when the new board takes office. This year, however, the first Monday falls on January 2 and that is a holiday, with the court house offices closed.

Absent Once In 8 Years

Among the officials the commissioners name are a chief clerk, a deputy clerk and stenographer for their own office, solicitors for the county and for the county institution district, chief assessor, sealer of weights and measures, director of veterans' affairs, a total of 17 employees at the county home, when the home has a full staff of employees, which it does not have at present, a janitor for the court house and physician for the county home and jail.

Today G. Ed Taughnbaugh, Huntstown, who served as a commissioner for the last eight years and missed one meeting during that time, and Karl J. Smith, McSherrystown, who served for the last four years and was present for every meeting, were receiving congratulations and farewells as they attended their last meeting.

The congratulations were on their work during the last four years.

4-Year Record

During their four years the retiring board of commissioners constructed a new annex and new heating system at the county home, costing more than \$60,000 as part of the most extensive improvement plan at the county home in recent years. They paid off \$36,000 of county debt in the last four years and as a result became the first commissioners to end their terms with the county free of debt in possibly 50 years.

During their term they reduced the county tax rate from eight to seven mills and the institution district tax rate from five to three mills. They replaced 3 1/2 bridges. Three were wooden structures that were replaced with concrete. The one-half bridge was Adams County's half of a steel bridge between Adams and York Counties, where steel was replaced by concrete. And many other bridges were renovated.

RELEASE SALK VACCINE QUOTA

WASHINGTON (AP)—The Public Health Service today announced release of another 1,368,306 doses of Salk antipolio vaccine.

This made a total of 3,414,213 cubic centimeters—or doses—released thus far in December, and raised to 29,961,831 c.c.'s the total of vaccine released since April 12 when six drug houses were licensed to make it.

The new supply included 279,900 c.c.'s made by Wyeth Laboratories, Marietta, Pa.—the first Wyeth vaccine released since Aug. 9. The remaining 1,088,406 were made by Eli Lilly & Co., Indianapolis.

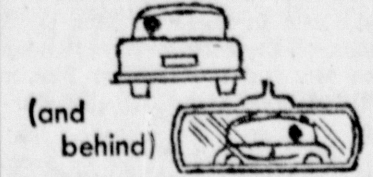

A health service spokesman said the increased supply released this month after the low totals for October and November reflected a smoothing out in production procedures.

Reflects Production Ease

The health service allocated 1,355,814 c.c.'s of the new supply to the states, territories and the armed services for use under the voluntary control program. The other 12,492 were reserved for the free program of the National Foundation for Infantile Paralysis.

COUNTIANS SHOW PROFIT IN 4-H BABY BEEF SALE

Adams County 4-H Baby Beef Club members were among the few who "made money" at the recent 4-H round-up and sale for beeves of members from ten counties at Lancaster.

Reports on Sale Records Received

Today by Associate County Agent Fred H. Attinger show that only Adams and Northumberland County clubs made a profit from the sale of their cattle. The other eight counties, Lancaster, Dauphin, Cumberland, York, Perry, Lebanon, Berks and Chester counties all sold at a loss.

The figures are based on the total income of club members from each county as received at the sale compared with their records of the cost of handling the beef animals.

8 Report Losses

There were 284 steers in the sale. The records show the youngsters lost a total of \$8,708 in selling their animals. Lancaster county had 100 steers entered and its total loss was \$5,500; Dauphin County lost \$656.43; Cumberland \$322.20; York \$302.43; Perry, \$319.72; Lebanon, \$244.03; Berks, \$825.33 and Chester, \$438.03.

Northumberland county youngsters made a profit of \$530.91 on their steers. It cost the 16 Adams county youths \$3,733.90 to purchase feed and handle the steers until they were sold. The 16 countians received \$3,920.32 for their animals, thus netting a profit of \$186.42.

Attinger said the performance of the Adams county youngsters was especially good, because the 4-H program is not designed to make a profit for its members but to teach proper methods of handling steers for quality beef production.

Since the members are youngsters between the ages of 10 and 20 and learning "the trade" as it were, it is not expected that they will be able to raise their steers most economically the first year or so they are in the program.

However, the youngsters, whom

British Jet Flies Atlantic Ocean In 6 Hours, 8 Minutes

LONDON (AP)—Britain's glittering Comet III jetliner streaked non-stop across the Atlantic from Montreal to London today in a shattering 6 hours, 8 minutes. The plane's builders claimed a record for civil airliners.

The 74-ton, four-jet aircraft covered the 3,350 miles at an average speed of 548 miles an hour, through overcast skies, touching down at London airport for a tumultuous welcome.

Strong tail winds boosted the speed to more than 640 miles an hour at times.

The trip ended a 35,000-mile round-the-world proving flight by Capt. John Cunningham and his crew of 10 which began in Hatfield, England, Dec. 2 and took the Comet to Cairo, Bombay, Singapore, Darwin, Sydney, Melbourne, Perth, Auckland, Fiji, Honolulu, Vancouver, Toronto and Montreal.

PRESIDENT IN SOUTH FOR REST

WASHINGTON (AP) — President Eisenhower flew out of Washington today headed for Key West, Fla., and about two weeks of the sun, rest and outdoor exercise his doctors have prescribed.

The presidential plane Columbine III took off at 9:15 a.m. It was due at Boca Chica airport, Key West, in something under four hours.

Physicians recommended warmer weather and more chance to get outdoors to help with Eisenhower's convalescence from his Sept. 24 heart attack. The time for the trip and the choice of Key West were announced only yesterday.

Gen. Alfred M. Gruenther, North Atlantic Treaty Organization commander, was announced this morning as a late addition to the party but he was not aboard at takeoff. He may go to Key West later.

Eisenhower's stay could be a factor in the decision whether to seek another term. His doctors hope the trip will condition him for resumption of the full work load in about two weeks.

The Columbine's takeoff was delayed 45 minutes to await the arrival of Dr. Milton S. Eisenhower, the President's brother, who flew here in a single-engine private plane from University Park, Pa., where he is president of Pennsylvania State University.

The President, dressed in a gray suit and gray overcoat and hat, boarded the plane at 8:50 a. m., carrying a small camera. Dr. Eisenhower's plane did not land until 15 minutes later.

The Columbine taxied to a runway a few minutes after the President's brother went aboard.

The airport temperature was around 20 degrees. The aim of the Key West trip was to get away from that.

Eisenhower will stay at the same naval base which was a favorite vacation spot of former President Truman.

He will occupy quarters which he used in 1949 when, as president of Columbia University, he recuperated at Key West from a gastrointestinal attack. The quarters which Truman occupied on several trips to Florida now have been subdivided and no longer are suitable for a presidential stay.

Mrs. Eisenhower is not going. The White House noted that her mother Mrs. John S. Doud of Denver is in Washington for the holiday season.

Another reason Mrs. Eisenhower is staying behind is the birth last week of a new granddaughter.

The baby and her mother Mrs. John S. Eisenhower still are in Walter Reed General Hospital. The President and his wife visited them late yesterday.

White House Press Secretary James C. Hagerty told newsmen it is unlikely Eisenhower will return to Washington for the opening of Congress next Tuesday. Hagerty called such a return unnecessary.

The President's annual State of the Union message, outlining the administration's 1956 legislative program, will be sent to Congress Jan. 5—two days after the lawmakers convene.

CHURCH BURNS ITS LAST BOND

Trinity Evangelical Lutheran Church, East Berlin, was the scene of a special service Sunday, when the last bond in the building fund indebtedness was burned.

The pastor, the Rev. Lester Karschner, assisted by Maurice Peiser, lay president of the council; Paul Wolf, treasurer of the building fund, and William Hildebrand, superintendent of the Sunday school, conducted the service after the organizations brought their white gifts amounting to \$1,017. These annual gifts of money along with contributions of the members made this event possible.

Less than two and one half years have elapsed since the structure was completed and dedicated May 3, 1953, at a cost slightly over \$32,000. The building is used by the nursery, beginners, primary and junior departments of the Sunday school. Equipped with a stage and kitchen, the building lends itself well for congregational banquets, wedding receptions, dramatic productions and recreation.

The congregation, now numbering 350 communing members, was established in 1881. The present building was erected in 1889. The pipe organ was installed in 1918. An addition, now used for the intermediate department and a church parlor, was added in 1929.

morning to submit his resignation as Franklin Twp. assessor. Rebert said he wanted to go to Florida for a vacation and "didn't want to be pestered with the assessor work I want to quit now while I'm on fairly friendly terms with everyone."

The commissioners accepted the resignation with regret, and Taubhinbaugh and Smith notified Bushey: "That's your problem for next week."

A few moments after Rebert left, County Home Steward Herbert Taylor appeared to report that two couples are needed at the county home to replace attendants who have resigned—thus adding another problem for the new board when it convenes next week.

COUNTIANS SHOW

(Continued from Page 1)

Attlinger called, "some of the best we have ever had in the program" not only made a profit generally, but did it at a time when the expert adult steer raisers have been steadily losing money. Attlinger said the losses sustained generally at Lancaster "are less than some of the best steer men are experiencing in the present price squeeze."

Twelve of the Adams County youngsters showed a profit. Four lost money, relatively slight. Attlinger said a variety of reasons caused the loss by the four. "For the most part it was simply a matter of the 12 being better managers than the four youngsters who lost out. But they have learned so fast that in another year they should show a profit."

Attlinger said the results this year show that the Adams countians added an average of 1.68 pounds per day to their steers during the feeding season.

DEATHS

Mrs. Amos P. Sanders

Mrs. Mary Katherine Sanders, 76, wife of Amos P. Sanders, Waynesboro, died at 4 o'clock Christmas morning at the Waynesboro Hospital.

She had been in failing health for the last year and a half and was critically ill for the last five weeks. She was confined to the hospital the last two weeks.

She was born at Fairfield, daughter of George and Annie (Carson) Woodring. Her early life was spent in the Fairfield section. After her marriage January 2, 1900, at Midvale, by Rev. C. W. Rockey, she went to Waynesboro where she had since resided.

For the last 25 years she and her husband were well known in that community for their collection of antiques — she in her interest in glass and Mr. Sanders in his interest in antique furniture.

Her own personal collection was of Moon and Star glass.

She was a member of the Lutheran Church and the Queen Esther Bible Class.

In addition to her husband she is survived by four children: Mrs. Charles Gladhill, Mrs. Anna Mowen, Mrs. Milford Smith and Abram F. Sanders, all of Waynesboro; seven grandchildren; four great-grandchildren; one brother and three sisters, John Woodring of Metomora, Mich.; Mrs. William Miller, Topton; Mrs. Ira Snowberger and Mrs. Russell Oiler, both of Waynesboro.

Funeral services were held this afternoon at 2 o'clock from the Grove Funeral Home, Waynesboro, in charge of Dr. B. Clinton Ritz. Burial in Green Hill Cemetery.

"BECAUSE WE LOVE"

The world seems like a paradise... filled with a sweet delight... since first we met... all is right... for you have brought new life to me... with just a gentle smile... yes, even on the darkest days... things somehow seem worthwhile... I gather happiness from things... unnoticed heretofore... the little ordinary things... have grown to mean much more... the stars and moon hold joy supreme... the sun beams gladness too... and tender love light in your eyes... gives me a brighter view... new hope is mine and golden faith... makes dreams soar high above... I'm sure I know the reason why... it's all because we love.

accessors in their district at this time. There are vacancies for assessor in Gettysburg First ward, Littlestown First and Second wards and Union Twp.

Returns may be made to the assessors or direct to the county commissioners.

Pay Tax In July

The last day for filing the returns is January 15, but the tax is not payable until July when the amount is included with other taxes on the notices sent by the local tax collector.

Every resident in the county and every co-partnership and unincorporated association located or doing business in the county, owning or holding any taxable personal property is required each year to file a return with the local assessor or the commissioners. Under the law, failure to file provides for a penalty of five per cent plus six per cent interest for each year not exceeding five years.

Each year audits and investigations uncover several thousands of dollars of additional personal property tax due to error and failure to file the returns which amounts are collected by the commissioners.

Taxpayers who have not received tax forms may obtain them from their local assessors, the commissioners or from any Adams County bank.

Next time you are serving a meatless tomato sauce over spaghetti, try adding anchovies to it. Use a small can (about two ounces) of the anchovies that come packed flat for a tomato sauce that is to serve four people. Cut the anchovies into small pieces before adding. The oil from the anchovy can may be used in preparing the sauce.

OPPOSES RETURN OF \$3,000 FINE TO J. BRATTON

PHILADELPHIA (P) — Frank Wiener, former Pennsylvania Athletic Commission chairman, is protesting the return of a \$3,000 fine that the commission he headed had imposed on retired boxer Johnny Bratton.

Bratton had been fined — and suspended — after a bout here Feb. 24, 1954 with Johnny Saxton.

Wiener, in a letter yesterday to Gov. Leader which referred to his "indignation and protest," said that the Bratton performance in the fight was a "fraud..." and the only way to correct any fraud is to punish the offender by fine or forfeiture and suspension.

Re-hearing Was Ordered
Bratton had gone to court to appeal the decision and a re-hearing was ordered.

Wiener and the other two commissioners went out of office when Leader became governor last January, and the new three-man commission, headed by James Crowley of Scranton, conducted the hearing.

Last week the present commission, while admitting the fight was "not good," said it nevertheless was "honest" and restored Bratton's fine.

Notes Much Gambling
In Harrisburg, Leader's office said the governor had "no comment."

Wiener said in his letter that Bratton earned \$8,770.50 and that, minus the fine, he received \$5,770.50 "for his effortless performance."

"There was a great deal of gambling on this particular match throughout the country, at big odds on Saxton," Wiener said, "which makes it obvious something was radically wrong."

Saxton was awarded the decision.

TWENTY-FIVE YEARS AGO

William McSherry, Attorney Dies From Septic Poisoning Saturday: Attorney William McSherry, a member of the Adams county bar for 52 years and a former president of the Gettysburg National bank, died at the Warner hospital Saturday evening of septic poisoning. He had been in failing health for several months and was admitted to the hospital a week ago. He was 75 years old.

Two Skeletons Dug From Ground By Excavators In Biglerville: A box of bones, apparently those of two human beings, was found at noon Saturday while Ernest Wishard, Biglerville, was excavating for a gasoline tank in the yard behind his home.

Dr. Edgar A. Miller, Adams county coroner, was notified of the gruesome find, and was expected to go to Biglerville to examine the bones personally.

According to reports from Biglerville the box contained two skulls, one of which was in perfect condition. The other appeared to have been sawed or cut in half. (A later story, published December 29, revealed that the bones were believed by police to have been buried by a physician or medical student when he no longer had use for them, long before the Wishard house was built.)

Gettysburg Has Fine Christmas: Food Toys And Candy Given Away: Leaving indigestion and broken toys in its wake, Christmas day has come and gone in Adams county and as far as could be learned today, everyone enjoyed themselves.

The Elks lodge, the Red Cross Chapter here, the Ladies Bible Class of St. James Lutheran church and the Gettysburg Mothers club saw to it that no one went without a Christmas dinner.

The Gettysburg fire company played Santa Claus for 1938 individuals, 1,260 of them Gettysburg children, while the Business and Professional Girls' club saw that children that might otherwise have gone without received toys. The biggest event of Christmas eve was the annual party for Gettysburg children given at the fire house on East Middle street by the firemen. Santa Claus, in full regalia, gave 1,260 children a box of candy and an orange. It was the largest kiddies party ever held.

The firemen however did not end their party with the closing of the firehouse doors Wednesday night. The next day visits were paid to the county home where 126 received oranges and candy while each man was given a cigar and each woman an apple in addition. Visits were made to the county jail and the Annie Warner hospital, 36 receiving candy and oranges at the first place and 80 at the latter.

In the afternoon, representatives of the fire company dressed in traditional costumes, visited the Hoffman orphanage and gave 90 children oranges and candy while 135 more received the same gifts at the Paradise protectorate.

Others went to Mount Alto sanatorium and gave 163 children candy and oranges while 98 shut-ins received gifts at the same place.

County Couple Wed At St. Francis Church: Miss Marie J. Timmins, Baltimore street, formerly of McSherrytown, and Martin Slade, manager of the Adams county fruit packing and distributing company, Biglerville, were married at a high mass in St. Francis Xavier Catholic church, West High street, at 8 o'clock Friday morning.

The Rev. Father Arthur C. Slade, assistant rector of St. Mary's Catholic church, Cumberland, Maryland, a brother of the bridegroom, performed the ceremony assisted by the Rev. Father Mark E. Stock, rector of St. Francis Xavier.

Today's Talk

STAND BY YOUR BELIEVING

Many a possible genius or benefactor has gone to his grave "unheralded and unsung." Had such ones believed in themselves, and in others, it would be a different story to tell. We have beliefs but we let others steal them from us without any complaint. Just imagine what would have resulted had the Wright Brothers, Henry Ford, Thomas Edison or Westinghouse done nothing about the ideas in which they believed!

It's our beliefs that we use for the purpose of building the character that we own and demonstrate. The great Daniel Webster must have been in a very humble mood when he exclaimed: "Lord I believe; help Thou my unbelief." No one can disturb our beliefs if we stand by them — water them as we would a garden, and give to them care and nourishment. I have a book in my library with the title: "This I Believe." In it are letters or essays by noted people all over the globe, telling of their beliefs. It is a very inspiring volume. Where would any of us be were it not for our beliefs? Said Herbert Hoover in this book: "Always growing societies record their faith in God; decaying societies lack faith and deny God."

One reason why a democratic nation is so prosperous is that it is so free in its own way. Each of us can say with David in his twenty-third Psalm: "Thy rod and thy staff they comfort me." Without a religious belief life would be difficult indeed. Among the greatest minds in the world are those with a sincere and solid belief in the Infinite.

Stand by your believing. It will guide and safely lead you through every emergency of life. Believe in yourself, in your fellow man, and in God. No one is so lonely and without hope as the one who has no beliefs. From youth into old age, nothing is so comforting as a religious belief. It can banish worries and create peace as no other idea can.

Tomorrow Mr. Adams will talk on the subject: "Joy in Pursuit." Protected, 1955, By The George Matthews Adams Service

Just Folks

THREE CARES
One was waiting the loss of gold. Dismal and grim was the tale he told:

How could tomorrow he look upon
With his life's work crushed and his treasure gone?
Yet, buildings might rise on his barren soil,
For God had not taken his strength to toll.

Another man came with a down-cast face
To tell his woes in the market place.
He had bought his goods when the price was high
And today the people refused to buy.
Yet should failure come, there would still remain
Life and the strength to fight again.

But a third there was and his heart was sore
And at night he solemnly paced the floor;
And all day long in his office place
Where he toiled he saw but a sick child's face.
And he prayed to his God: "Take fame and wealth
But save my baby and give her health."

Police May Use Radio Vision: Chicago (AP)—Chicago's police department pioneered in the use of radio for crime prevention.

Now it's thinking seriously about television. For what sound alone can not tell, sight may be able to supply.

These thoughts about the use of television in chasing criminals came about through a demonstration of the adaptability of radio sight to police work. It was put on by W9XAP television station of the Chicago Daily News.

John H. Alcock, commissioner of police, was so pleased with the results that he called the latest application of television "the greatest thing ever invented for police work" and indicated that when fully developed it would "drive the racketeers out of Chicago."

Monster Hog Kicks Man About To Cut His Throat: A hog that not only broke all records for size but resembled his wild cousins the boars in ferocity was slaughtered at the farm of Ben Carson, Iron Springs, Saturday and, today Charles Mills, Fairfield, the butcher, is treating a deep laceration on his forehead where the animal kicked him while he attempted to knife it.

Seventy-five persons attended the butchering of the huge animal which weighed 821 pounds dressed. It is reported to be the largest pig ever butchered in this section.

ADVERTISE IN THE TIMES

REP. KARL KING NOT CANDIDATE FOR HOUSE SEAT

MORRISVILLE, Pa. (AP)—Rep. Karl C. King (R-Pa.) said Tuesday he will not seek re-election next fall from the 8th Pennsylvania District of Bucks and Lehigh counties.

King, who won a second full term in 1954 after a rugged campaign against John P. Fullam, Democrat, from Fairless Hills, said he wants to give his "undivided attention" to King Farms Co., a family business in which he is the senior partner.

He said bad weather conditions over the last couple of years have cost the company a lot of money. The firm farms from five to six thousand acres just south of Morrisville.

Regret Decision

King said he hadn't discussed his decision with Mrs. Elizabeth Lynch, acting Bucks County GOP chairman, or Lehigh County Republican Chairman Moulton C. Frantz. Both of these GOP leaders expressed regret when informed of King's decision.

King has been in Congress since succeeding the late Albert C. Vaughn in a special election in 1951. King defeated Gen. Wilson H. Stephenson of Buckingham by 10,476 votes for his first full term. In 1954, he topped Fullam by 2,881 votes.

A member of the House Agriculture Committee, King has been opposed to the rigid price supports urged by the Democrats and in favor of the system of flexible supports employed by Ezra Taft Benson, secretary of agriculture.

ARMY SERGEANT LOST IN BERLIN AFTER ACCIDENT

BERLIN (AP)—An American Air Force sergeant from Paris who visited Berlin over Christmas has disappeared in the Soviet sector of Berlin after an automobile accident, U. S. officials disclosed today.

The Army said M. Sgt. Mike Kilman, Brooklyn, N. Y., was involved in a crash Monday night and was last seen being taken from a hospital by Communist police. Preliminary inquiry failed to locate Kilman's whereabouts. A request is being sent to the Russians to look into the case.

Visiting Friends

Kilman, on duty at Orly Field in Paris, visited his Berlin-born wife over the holidays and drove with her to visit friends in East Berlin in his American car.

The East German government news agency, ADN, said Kilman was "drunk" drove through a stop sign, and caused a collision with an East German car.

An American investigation showed the Army said that several people riding with Kilman were given first aid at an East Berlin hospital and were then released.

Went To Headquarters

An Army spokesman said East Berlin Communist police told Kilman he could recover his car by accompanying them to police headquarters. He has not been seen since, the official added.

East Berlin Communists have been assailing personnel of the Western armed forces since two U. S. soldiers were involved in a brawl several weeks ago. Though the Russians turned the men back to the Americans, the East Germans demanded that "in future cases," Western soldiers face trial by an East German court.

Husband Kills Self After Greeting Wife

HAVRE DE GRACE, Md. (AP)—Nathan L. Murray Jr. wished his estranged wife a "Happy New Year" during a five-minute conversation over a cup of coffee Monday night and then shot himself after telling her, "you need the insurance money anyway."

Murray, who had been separated from his wife, Nancy Jane, for about two years, drove here from his home in Savannah, Ga., in a newly-purchased car. The shooting occurred just minutes after he had knocked on the door of her trailer home.

Police Sgt. Paul Bungert said Murray, who was 24 years old, died in Hartford Memorial Hospital a short time after the shooting.

E. CULBERTSON, BRIDGE EXPERT, DIES IN SLEEP

BRATTLEBORO, Vt. (AP)—Ely Culbertson, 64, who helped make the game of bridge a national rage, died while taking a before-dinner nap last night.

Death was attributed to heart failure due to insufficient oxygen. He had been suffering from shortness of breath for several years. He became seriously ill last May, but recovered. Two weeks ago he was stricken again.

Members of his family said it had become so difficult for him to breathe that he had spent the last four nights sitting up.

His death was discovered by a ward, a 15-year-old exican girl, when she went to wake him for dinner.

Had Peace Plan

The internationally famous bridge authority devoted much of his time in his middle years to a world federation peace plan that began to take form when he was a youthful revolutionist.

Culbertson was credited with developing an effective contract bridge system. He promoted it with exhibitions, contests, lectures and books.

In 1923 he married Josephine Murphy Dillon, an attractive widow and bridge teacher. Two children were born to them, Loyce-Nadya and Bruce Ely.

She divorced him in Reno in 1938, charging mental cruelty. Although divorced, they continued their business partnership under the name of the Culbertsons, Inc. At one time they grossed an estimated half million dollars a year.

Divorced Second Time

Culbertson married Dorothy Renata Baehne of New York in 1947 when he was 55 and she 21. Their only child, Peter, 19 months old, drowned in 1950.

The second wife obtained a Vermont divorce in 1954. He was born in Romania. His father was a Pennsylvanian who had gone there in search of oil. His mother was the daughter of a Cossack general.

Culbertson lived in a Cossack village until he was 6. He attended schools in Geneva and Paris before entering Yale.

As a youth, he spent some years as a hobo and as a revolutionist in Mexico. At one time he was expelled from Spain for associating with anarchists.

CHARLOTTESVILLE, Va. (AP)—An Albemarle County housewife made the perfect Christmas gift when she presented her neighbor's children a puppy to replace the one they'd recently lost. The pup she obtained from the local SPCA shelter looked precisely like the one that had gone astray several weeks ago. And, as a matter of fact, it was.

BURNED CROSS CALLED THREAT

MILFORD, Del. (AP)—A cross was burned last night on the property of Robert Jaquette, who protested the Milford School Board's ban against its athletic teams playing nonsegregated teams.

Jaquette, president of the Milford High School Parent Teachers Assn., said he interpreted the incident "as the response of some persons in the community to my stand that since the law of the land provides for racial integration in the schools, making it (the law) effective is the duty of all good citizens."

Jaquette and his wife were not home at the time of the cross burning. He said he was summoned home by his four children. They told him they noticed a motorcycle of cars passing in front of the house before the incident.

Jaquette suggested in a letter to the PTA that it back a student protest of the School Board's policy of nonintegrated athletic competition.

The present school board restored a segregation policy in Milford schools after the old board resigned in the wake of protests over the admission of 11 Negroes to Milford schools last year.

Police are investigating the cross burning.

A survey in 1954 revealed that 80 per cent of the families of Rhode Island owned television sets. This compares with a national average of 58 per cent of families throughout the country.

Oklahoma Aggies Overcome 13 Point Deficit To Beat Texas Tech In All-College Tourney

By JOE REICHLER
The Associated Press
Hank Doa's Oklahoma Aggies, once a powerhouse in the national college basketball picture, may be headed back toward the top.

The once-beaten Cowboys from Oklahoma made it seven victories in a row last night when they recovered from a 13-point deficit to whip Texas Tech 65-47 in the first round of the All-College Tournament at Oklahoma City. Mack Carter was high man for the victors with 25 points.

The Aggies, who have captured the All-College championship 11 times during the last 19 years, meet an old rival, Oklahoma City, the nation's 10th-ranked team, in half of the semifinals tonight. Oklahoma City, paced by Lyndon Lee, who scored 22 points, was pushed by a surprisingly tough Pennsylvania team before winning 74-62.

Seattle Meets Tulsa
First-seeded Seattle and Tulsa, other victors in the first round, will clash in the first game of the night. Seattle edged New Orleans Loyola 74-70 and Tulsa nipped Idaho State 60-59 in the last seven seconds on a 10-foot jump shot by John Yates.

Iowa State pulled a surprise in the Big Seven Conference tournament by knocking off favored Kansas State 79-71, but the biggest upset of the night took place in Seattle where Washington set back strongly favored Iowa, the nation's sixth-ranked team, 76-71 in a nontournament game.

The Huskies, paced by Jim Coshaw, who poured in 24 points, grabbed a 30-23 halftime lead and the stunned Hawkeyes never recovered.

Semifinals Thursday
Colorado joined Iowa State in the Big Seven semifinals, downing Oklahoma 88-69. Defending champion Missouri meets Nebraska and Kansas opposes Cornell, the guest team in the remaining first-round games tonight. The semifinals get under way tomorrow.

Defending champion Louisville, 11th ranked in the AP poll, parlayed its superior height and all-around marksmanship into a 103-83 victory over Arizona in the first round of the Kentucky Invitation at Louisville. The Cardinals joined Murray State, Western and Eastern Kentucky in the semifinals.

Murray upset favored Morehead 106-97; Western Kentucky walloped Ohio U. 76-60 and Eastern Kentucky routed Bowling Green 94-65.

Motor City Classic
Brigham Young and defending champion Detroit marched into the finals of the Motor City Classic. BYU's Terry Tebbas, a 5-9, 150-pound dynamo, scored 36 points to set a tournament record leading his team to an 89-70 triumph over Toledo. Bill Ebben scored 25 as Detroit swept past Penn State 91-58. Brigham Young and Detroit meet tonight for the championship with Toledo facing Penn State for third place.

Another upset took place in Miami Beach when the University of Miami came from behind to nip favored Yale 92-90 in the second game of the opening day's play in the Orange Bowl Tournament. Tulane, with Roy Stoll scoring 30 points, thrashed New York University 80-92 in the first game.

Bill Thibien set a tournament record of 40 points leading Hofstra to an 89-82 victory over Bucknell in the first round of the Hofstra tournament at Hempstead, N. Y.

In a non-tournament game, Joe Holup fired in 32 points as George Washington, ranked No. 12, defeated Wyoming 82-75.

Princeton's Tigers put on a mighty second half drive, coming from behind to defeat Northwestern and hand the winless Wildcats their sixth straight loss, 86-65.

Wrestling Tourney Attracts 235 Matmen
WILKES-BARRE, Pa. (AP) — A strong University of Michigan team was ready to defend its championship today as the 24th annual two-day open wrestling tournament started at Wilkes College with a record number of entries.

About 235 wrestlers would take to the four mats in preliminary matches in the Wilkes gym, exceeding by 10 the previous record entry list set last year.

Coach Rex Peery's Pitt Panthers, 1953 champions, will be out to take the crown away from the Wolverines. Peery, too, will watch his son, Ed, and NCAA titlist last year, go after another championship.

Other top teams entered are Navy; Springfield College, 1954 New England champion, Lehigh, Cornell, Penn State, Hofstra, Penn and Bowling Green.

ADVERTISE IN THE TIMES

SOONERS POLISH AERIAL OFFENSE FOR MARYLAND

MIAMI, Fla. (AP) — Maryland's mighty defense, the nation's best against a rushing attack, apparently is giving Oklahoma's Coach Bud Wilkinson the greatest concern as he rounds his team into shape for the Orange Bowl football game.

While Oklahoma is primarily a rushing team and ranked first in the country in that respect during the 1955 season, the Sooners spent most of yesterday's two heavy workouts on aerial offense.

The practice schedule indicated that Wilkinson wants to be prepared to take to the air if his speedy ground attack is blocked by the rocky Maryland defense.

"In most games," he said, "you think that you might have an advantage over the other team somewhere and you exploit that advantage. . . . But we know of no department in which we have an advantage over Maryland. We have to work on everything. Our biggest problem, I guess, is to make sure that we commit no mistakes."

Coach Jim Tatum of Maryland took his squad behind the concrete curtain of the Miami baseball stadium and admitted only his "home" press from Maryland.

Tatum said he installed a new play for the Orange Bowl game with Oklahoma two years ago and he strongly suspects that someone tipped off Wilkinson because "as soon as we called the play, Oklahoma immediately went into a defense they had never used before."

JET PILOT DIES TRYING TO LAND ON TAXI STRIP

LOS ANGELES (AP) — An Air Force pilot landed his jet trainer by mistake on a taxi strip at Los Angeles International Airport Tuesday. The plane plunged through a fence onto busy Sepulveda Boulevard, causing a three-car smashup.

The pilot, Capt. Dwight J. Cook of Niagara Falls (N.Y.) Air Force Base, died later in a hospital.

Cook's plane struck an automobile driven by Mrs. Louise La Montagne, 25, Oakland, Calif., and forced her car into that of her husband Martin, who was following her.

Third Car Involved
A third auto, driven by Vernon Swanson, Inglewood, was involved in the smashup, but neither he, his wife Helen nor their 3-year-old daughter Linda Lu were hurt.

Mrs. La Montagne suffered a possible skull fracture and chest and neck injuries. Her husband, although unhurt, was suffering from shock. The couple was just arriving from Oakland to make their home here.

The control tower at the airport said Cook made a three-point landing, but his wheels touched down on a taxiway instead of a landing strip and he had insufficient room to brake the fast-traveling jet to a stop.

Jet Strike Car
Mrs. La Montagne's auto had just emerged from the tunnel that cuts under the airport and the jet struck a side blow as the jet careened down an embankment under the road and burst into flames.

Before the auto was struck, Cook's ejection seat propelled him out of the jet. He was found some distance from his plane.

Giardello Fights Next January 10
PHILADELPHIA (AP) — Middleweight Joey Giardello, in training since his release from Holmesburg prison a month ago on an assault charge, will start his fight comeback on January 10 against an opponent yet to be named, a spokesman said today.

Giardello, who was the number one challenger for the middleweight title before his trouble with the law, has been sparring with lightweight Joe Rowan, Jimmy Beacham, Fred Terry and lightweight champion Bud Smith.

Giardello will perform in Los Angeles.

Rowan is training for a return bout with Willie Pastrano in New Orleans Feb. 19.

Bigler Cagers Drop Pair To Alumni Squads
Terry Hutton and Donnie Wright teamed up for 40 points for the Alumni as the former varsity stars downed the Biglerville High quintet 55-48 Tuesday evening.

In losing their seventh game in eight starts, the Caner varsity made a battle of it the whole way but trailed most of the game. At half time the Alumni was on top 25-21.

John Constable, Don Hartzell and Ronnie Group combined for 37 of the varsity points.

The Biglerville girls inaugurated their season by bowing to the Alumnae 32-24. Judy Shetter netted 15 points for the varsity while Stary accounted for a similar number for the Alumnae.

Next Tuesday Biglerville plays at New Oxford in opening the Adams County League.

TANGERINE BOWL TEAMS IN SHAPE

ORLANDO, Fla. (AP) — Missouri Valley and Juniata College football players were reported in fine shape today as they began twice-a-day drills for Monday's Tangerine Bowl game.

The squads arrived yesterday, greeted by mid-60 temperatures, which delighted both coaches.

Juniata, holder of the nation's longest small college winning streak—23 games—will be making its first appearance in any bowl.

Missouri Valley, which has a season record of eight victories and one defeat, has been in seven previous bowl games, but none in Orlando.

Enjoys Cool Weather
Coach Bobby Hicks of Juniata said he was pleased with the relatively cool (for Orlando) weather "because the sudden change from our cold climate up north might make it tough for the players to adjust. The ground was very hard back at Huntingdon, Pa., and we have to take it easy on contact work."

The teams arrived on the same train, after a connection at Jacksonville and both went through lumbering up exercises at local high school fields.

YORK SPRINGS AND ALUMNI SPLIT GAMES

The York Springs High School cagers divided a pair of games with the Alumni Tuesday evening, the boys suffering a 69-47 setback while the girls won their contest 46-21.

Twelve of 14 participants for the Alumni broke into the scoring as the former varsity lads jumped off to a 21-6 lead in the first period and led by a comfortable margin the remainder of the way.

Earl Rhoads, Eddie Baker and George Williams led the attack for the high school quintet while Williams and Lott sparked the Alumni.

In the preliminary York Springs girls won their second game in as many starts after taking a 14-8 edge in the opening stanza and leading the rest of the way.

Judy Weigle connected for 23 points for the winners while Brough netted 11 for the Alumnae.

The York Springs boys will play at Newport, Friday evening.

YORK WOMAN INJURED IN OHIO; DAD KILLED

WOOSTER, Ohio (AP) — Miss Alice Shrock, 26, of York, Pa., was reported in fair condition at Wooster Community Hospital yesterday with injuries suffered in an accident Christmas Day that took the life of her father.

John H. Schrock, 53, was killed in a two-car crash in which the girl's mother, Mrs. Ester Schrock, of nearby Smithville, also was injured.

Police charged William Settles, driver of the other car involved in the accident, with second degree manslaughter. They said he failed to observe a stop sign.

Cliff Battles, new member of football's Hall of Fame, won 15 letters in sports at West Virginia Wesleyan. In addition to football Battles played baseball, basketball, tennis and was on the track team.

Streak—23 games—will be making its first appearance in any bowl. Missouri Valley, which has a season record of eight victories and one defeat, has been in seven previous bowl games, but none in Orlando.

SPARTANS TIRED AFTER ROUND OF SIGHTSEEING

PASADENA, Calif. (AP)—Michigan State's Rose Bowl squad was leg weary today, more from a busy round of sightseeing than from football workouts.

The social whirl has halted, however, and the squad will settle down to concentrate on football.

"I want them to be tired at this stage of the game," said Coach Duffy Daugherty. "It's a good thing to have them dragging a little and the outside stuff out of their systems."

"We planned these organized tours so they wouldn't be chasing around in cars on their own. They'll be getting a steady diet of football from now on."

The only remaining extra-curricular activity for the squad is the Big Ten dinner Friday night. UOLA knocked off entirely yesterday. Coach Red Sanders said the one-day layoff was decided on because partly because of a muddy practice field and also to give some minor injuries a chance to heal.

Both teams scheduled afternoon practices from now on in.

The MSU squad muddled its uniforms in a two-hour morning drill yesterday. The players were hitting the dummies with a solid whack but coaches didn't regard it as too good.

"I don't want them too sharp at this point," Daugherty said. "If they were, they would be stale before the game."

E.B. DRIBBLERS EDGE ALUMNI QUINTET 58-57

A pair of brothers exchanged goals in the last minute of play as the East Berlin High School dribblers edged the Alumni Tuesday evening 58-57.

It was Nelson Groupe's goal in the final 20 seconds which gave the high school lads the decision. A few seconds before his brother, Burnell Groupe, had put the Alumni ahead 57-56 with a twin-pointer.

In winning their fifth game against a single setback, Coach Ellis Diviny's lads were forced to stage a big second half rally after being on the short end of a 32-19 score at half time.

Nelson Groupe and Bob Jacobs led the offense for the winners while Wayne Mummert netted 22 for the Alumni.

The East Berlin reserves dropped a 44-40 verdict to another Alumni outfit in the preliminary game.

Manchester will play at East Berlin Friday.

TOPPAZZINI HAS BIG LEAD

By THE ASSOCIATED PRESS
Veteran Zello Toppazzini of the Providence Reds boasted an 8-point lead today—his largest advantage of the season—in the American Hockey League scoring scramble.

The classy forward collected 5 points over the weekend to boost his point-total to 57. He has produced 22 goals and contributed 35 assists.

Paul Larivee, also of the Reds, moved into undisputed possession of second place with 49 points after being tied for runner-up honors with Buffalo's Ken Wharram a week ago. Wharram is third with 46 points.

Willie Marshall of Pittsburgh and Providence's Camille Henry

have scored the most goals, 23 each. Toppazzini is the assist pacesetter.

Gil Mayer of Pittsburgh maintains his goal-tending supremacy, having allowed an average of 2.80 goals per game. Cleveland's Fred Glover continues as the loop's "bad man" with 101 minutes assessed in penalties.

Predicts Surprise In Bout Tonight

MIAMI BEACH, Fla. (AP)—Angelo Dundee, trainer and manager of young Andy Arel, thinks "a lot of people are going to be surprised" when his boy meets the old master, Willie Pep, in a lightweight 10-round fight tonight.

"Andy and I have talked this fight over for a long time; we know what we're doing," Dundee said. "If I didn't think Andy had a chance, I wouldn't take the fight. He's too good a prospect to throw away in a bad fight."

The bout between Arel, a 22-year-old southpaw from Massena, N. Y., and the aging but still winning Pep will be televised.

Arel is winner of 20 out of 25 pro fights. The former featherweight champ has fought 204 pro bouts, a modern ring record, and has lost only six.

2 ACE CENTERS COME TO GRIPS THIS EVENING
NEW YORK (AP)—New York fans are anticipating a personal duel between two of the top centers in college basketball tonight when undefeated St. Francis and once-beaten Holy Cross clash in the first half of the semi-final round of the holiday festival.

In the other half, defending champion Duquesne, featuring Si-hugo Green, will meet greatly improved UCLA. The afternoon twin bill, involving the four losers of the opening round Monday, will pit Syracuse against LaSalle and St. John's (Bkn) against Fordham.

The big question confronting Coach Ray Neerig of Holy Cross is how to stop All-American Bill Russell, the Dons' 6-10 center. Big Bill scored 26 points in the defeat of LaSalle but it was his defensive and rebounding ability, rather than his point-scoring that impressed.

Neerig thinks he has the answer in Tom Heinsohn, brilliant shooter and backboard man in his own right. Heinsohn, at 6-7, will be giving away three inches to Russell, but he appears to be a better shooter. The Holy Cross star, who has a 30 plus scoring average, registered 36 points in the Crusaders' defeat of Syracuse and grabbed 19 rebounds.

have scored the most goals, 23 each. Toppazzini is the assist pacesetter.

Gil Mayer of Pittsburgh maintains his goal-tending supremacy, having allowed an average of 2.80 goals per game. Cleveland's Fred Glover continues as the loop's "bad man" with 101 minutes assessed in penalties.

1955 Takes Place As Top Year For Art, Books, Music

By W. G. ROGERS
NEW YORK (AP)—This was the year when at long last Norman Vincent Peale was bounced out of the No. 1 place on nonfiction bestseller lists by Anne Morrow Lindbergh, when his "The Power Of Positive Thinking" yielded to her "Gift From The Sea."

This was the year when a Vanderbilt wrote a book of poems and had them published—Gloria Vanderbilt, "Love Poems."

This was the year when Ballet Theater celebrated its 15th anniversary; when the New York Philharmonic traveled half way round the world, or at least from Portland, Ore., to Athens, Greece; when the Metropolitan Opera for the first time had Negro singers on its roster—Marian Anderson and Robert McFerrin; when a great grandson of Alfred Tennyson and a grandson of Elinor Glyn came to visit; when Fritz Kreisler turned a hale 80; when William Gaddis' "Recognition" was published.

Good Literary Year
 Perhaps the best thing about 1955 was books. Not since the start of this second half of the century have critics had so many books to arouse their enthusiasm. There was not only Gaddis' overpowering first

novel; there was also "The Collected Stories" of Isaac Babel, a vanished Russian who was a grand master of the short story.

Besides these two leaders, the year was marked by the publications of such outstanding first novels as Thomas Williams' "Ceremony Of Love," Alberta Murphy's "The Lilac Caprice"; and from abroad, in first place, of course, Françoise Sagan's "Bonjour Tristesse." Other importations that made for tingling readers and the burning of midnight oil were Kamala Markandaya's "Nectar In A Sieve," Eileen Chang's "The Rice-Sprout Song," Isabel Quigley's "The Exchange Of Joy," Bryan MacMahon's "The Red Petticoat" and other stories, and Forrest Reid's "Tom Barber."

Play Host To Visitors
 Fiction written right at home was distinguished by novels by Anthony West, Mary McCarthy, Aldous Huxley, Francis Iry Gwaltney; by short stories by Flannery O'Connor and Lorraine Hansberry; and there was a spectacular biography of Dylan Thomas by John Malcolm Brinnin. Other 1955 names were Paul Bowles, Kay Boyle, Erskine Caldwell, Joyce Cary, Norman Mailer, Robert Penn Warren, John P. Marquand, Herman Wouk, Hamilton Basso and Mac-

50 "PLOTTERS" ARE ARRESTED IN ARGENTINA

BUENOS AIRES (AP)—Argentine officials say they arrested more than 50 military and civilian supporters of ex-dictator Juan Peron in raids over the Christmas weekend.

One soldier was killed and a noncommissioned officer and a civilian were wounded during one of the roundups.

Informed sources said the plotters were linked with a conspiracy reported last week to embarrass the government of Provisional President Pedro Aramburu with strikes, sabotage, arson and other troublesome tactics.

Centers Of Unrest
 San Luis province, some 500 miles west of Buenos Aires, and Tandil, about 200 miles south of the capital, were listed as the centers of the latest unrest.

The shooting occurred on the estate of a former Peronista congressman in San Luis. Other arrests were made at the Tandiljet air base, the Tandil police headquarters, an anti-aircraft base in San Luis province and at an air

base 30 miles from San Luis city.

In a separate action the Aramburu government froze the Argentine assets of 98 foreign and domestic companies, including the Argentine subsidiary of U.S. industrialist Henry J. Kaiser and Williams Chemical Co., owned by American-born Thomas J. Williams.

Investigate Profits
 Investigation of the companies was ordered to determine if they had profited unduly under the Peron regime.

Tuesday the government froze the personal funds of world auto racing champion Juan Miguel Fangio, whose auto agency and repair shop was listed previously, and 361 other individuals. All were described as suspected of "unjustified enrichment" during the Peron regime and subject to investigation by a five-man board.

The assets of those found guilty are to be confiscated and used to promote the nation's oil industry and to build new housing. The persons and companies listed have 30 working days in which to appear before the board and justify their possessions.

Has Large List
 The government now has listed 169 firms and 604 individuals whose assets are to be investigated.

Among them are majors Alfredo Maximo Renner and Ignacio Claceta, once personal aides to Peron; Maria Teran de Weiss, Argentina's leading woman tennis player who now is in Europe; racing driver Jose Froilan Gonzalez; Tital Merello, stage, screen and radio actress; Juan Carlos zaba, Olympic marathon winner at Los Angeles in 1932; Fritz Mandl, international financier, and Enrique Diaz Saenz Valiente, world champion pistol shot.

MAHANY CALLS FOR OUTRIGHT SALES TAX HERE

HARRISBURG (AP)—Sen. Mahany, Senate Republican floor leader, contended today that any redraft of the defeated manufacturers' excise tax should result in an outright sales tax.

"If a sales tax should become law, despite the governor's opposition, it should be a law that we all understand," he told a newsman.

Mahany's comments were based on a plan by the Senate Republican caucus to revise the 3 1/2 per cent manufacturers' excise tax defeated by the GOP-dominated Senate three weeks ago.

Consumers' Excise Tax
 Sen. Diehm (R-Lancaster) said he would ask the GOP caucus to send the excise levy to the Senate Finance Committee to draft it into a consumers' excise tax, a form of sales tax.

But Mahany said he left an untested consumers' excise tax would not be an acceptable as an out-and-out sales tax.

Gov. Leader offered his classified income tax in August.

Favors Ohio Plan
 Mahany said he favors the Ohio sales tax plan which provides for the issuing of stamps as receipts for any tax paid. The use of receipts, he pointed out, allows better administration and superior collection.

Under the Diehm plan, Republicans could put the bill to a vote on the Senate floor and remove criticism that they were obstruct-

tionists by allowing Democrats to vote on a redrafted bill.

If it passed, the measure would have to go to the House for concurrence in amendments that would change it from an excise to a sales tax.

Dems Kill Two Bills
 House Democrats, however, are definitely opposed to a sales tax and only last week the House Ways and Means Committee tabled two such proposals indefinitely.

Speaker Andrews (D-Cambria) said "the tabling of the two bills by the committee was the signal that they were dead. That is the understanding of the Democratic leadership in the House and the Senate and of Gov. Leader's administration."

Both House and Senate are scheduled for a token session Wednesday which will officially mark the Assembly as the longest in the commonwealth's history.

The 1951 Legislature, which adjourned finally on Dec. 22 of that year, held the previous marathon record.

The Assembly will discuss only routine business in this week's meeting as the full Legislature is not slated to return to Harrisburg until Jan. 16 because of the holidays and the state Farm Show next month.

DELAWARE CITY, Del. (AP)—Two small children were killed Christmas morning when an oil stove exploded in a combined residence and drugstore here.

The children, who died of suf-

focation, were Marilyn Miller, 28 months, and her two-month-old brother, Marshall. Two other children were rescued by the owner of the building, William Watson.

Authors did a lot on coming and going. Besides the visits of Tennyson and Glyn, we were hosts to Alberto Moravia, Italy; Edith Simon, England; Ralph Ellison sailed off for a Prix de Rome year; Paul Bowles switched from Indian Ocean to Mediterranean shore and back again; the Berlin Philharmonic and the London Philharmonic, both led by Herbert von Karajan, played for enthusiastic American audiences.

William Faulkner wandered all over the map, from Tokyo to Rome. James Michener married a Nisei girl and started off around the world. Sculptor Alexander Calder proved there's something in a name; inventor of the "mobile," he flew to India on a sculpturing assignment; had a show in Caracas, from which one of his swinging, balancing works was bought for presentation to Venezuela's president; and stayed some weeks in Europe.

Francis Henry Taylor, for 15 years director of the Metropolitan Museum, went back to Worcester, where he formerly headed the art museum, resigning his New York post and being succeeded by James J. Rorimer.

Committee For Carnegie
 A committee was formed to save Carnegie Hall, which was threatened by demolition; but in the meantime its principal tenant, the New York Philharmonic, gave thought, like the Metropolitan Opera in its outmoded house, to moving to a new location in a less congested area west of Broadway in the neighborhood of the 60's.

What was left of Arturo Toscanini's old NBC Symphony, renamed the Symphony of the Air, performed at least one conspicuous service for its faithful followers: Edwin McArthur conducted for a return visit of Kirsten Flagstad at a Carnegie Hall concert.

In Memoriam 3

STRAUSBAUGH: In loving remembrance of my dear wife, Mary E. Strausbaugh, who passed away two years ago today, December 28. "In love she lived, in peace she died; Flowers laid upon her grave We are listening for her voice. But love for her who sleeps beneath, Shall never fade away. Farewell, dear Mother, may your slumbers be as gentle as your love. And when God calls us homeward May we meet in Heaven above. Her well-remembered footsteps We are listening for in vain. And our eyes grow dim with longing And our hearts are sad with pain. No words will ever be so sweet As the words she used to say. No hour will ever be so sad As the hour she passed away. She will never be forgotten. Never will her memory fade. Sweetest thoughts shall ever linger 'Round the grave where she is laid. By Her Husband Charles W. Strausbaugh And Family

POLICE WATCH ALL PLANTS OF WESTINGHOUSE

By THE ASSOCIATED PRESS
Police kept a close watch today on struck plants of Westinghouse Electric Corp. after three picket-line clashes.

There were fist fights yesterday at Sharon, Pa.; egg throwing and shoving at Bridgeport, Conn.; and a disturbance at Union City, Ind. No serious injuries were reported. Four persons were arrested at Bridgeport.

The plants are among 40 struck by the AFL-CIO International Union of Electrical Workers and the Independent United Electrical Workers.

In Pittsburgh, Federal Mediator John R. Murray called company and IUE negotiators together again today to try to settle the 73-day old strike by 44,000 IUE members at 30 of the plants.

Some Are Injured
There was no indication when the company and the IUE, representing some 10,000 workers at 10 other plants, would meet.

Several persons received minor injuries at the Sharon plant. The company said 200 of the plant's 5,500 employees fought their way to work through an IUE picket line. There was no comment from the IUE.

Some of the workers stayed inside the plant after they quit work because the company feared further violence. Many of them trickled out in small groups during the night, but a few slept in the plant.

In Bridgeport, four men were arrested after some 100 IUE pickets tried to prevent 12 of the plant's 1,100 workers from entering the plant. Police said the pickets pressed the 12 employees against a wall as eggs splattered above their heads. The 12 eventually got into the plant.

Attack Worker's Cars
At Union City, Westinghouse said the IUE pickets used their fists and feet to hammer on the cars of some 101 workers who went to

Weather Forecast

Extended forecast for Wednesday, Dec. 28, through Sunday, Jan. 1:

Eastern Pennsylvania, eastern New York and Midatlantic States: Temperature will average 2-5 degrees above normal, rather cold Wednesday, warmer Thursday and Friday, colder Saturday and Sunday, showers south and rain or snow north about Friday, snow flurries in New York state and mountains of Pennsylvania Saturday, total precipitation one-tenth to three-tenths inch.

Western Pennsylvania, western New York, Ohio and West Virginia: Temperature will average 3-8 degrees above normal, warmer Wednesday afternoon and considerable warmer Thursday, colder Friday and Saturday, warmer Sunday, showers likely late Thursday or Thursday night, snow flurries near Great Lakes Friday, total precipitation one-tenth to three-tenths inch.

The union said company supervisors drove through the picket line at high speed and brushed four strikers. The union also charged the company with "trying to rig picket-line incidents." The plant employs 450.

Meanwhile, Judge Herman Rodgers of Mercer County, Pa., asked Gov. George M. Leader for state police protection at the Sharon, Pa., plant.

The IUE struck Oct. 17 and the UE followed suit Oct. 26. The strikes came after company-union negotiators failed to agree on new wage scales under a wage-reopening clause in a two-year contract that expires next year.

Both unions sought a 15-cent-an-hour wage increase and a one-year contract. They rejected company offers of five-year contracts which Westinghouse says would provide a minimum wage increase of 23½ cents an hour over the five years.

Before the strike, workers earned an average of \$2.10 an hour.

There were 36,000 deaths in 1954 due to motor vehicle accidents, injuries, at a total cost of \$4,400,000 according to the National Safety Council.

SOUTH KOREANS CALL SEIZURE "AN ACT OF WAR"

SEOUL (AP)—South Korea's army, air force and navy leaders met in a top secret session Tuesday to map their next move to recover four coast guardmen grabbed by Red China Christmas Day.

South Korea has called the Yellow Sea incident "an act of war." Dr. Hong Kee Karl, official government spokesman, said Monday his country will resort to "the strongest possible action" if the seamen are not returned.

The government said the action occurred within the Rhee Line, the boundary of waters claimed as South Korean territory. The line runs an average of 60 miles from the Korean coast, but extends up to 200 miles offshore in some places.

Seized On Sunday
The four men were seized early Sunday after a five-hour gun battle between an ROK patrol craft and six Red Chinese patrol boats.

The South Korean government gave this version: The cutter seized one of some 14 Red vessels fishing inside the Rhee Line, put four coast guardmen aboard and took the fishing boat in tow. Six armed Chinese ships then appeared and opened fire. The Chinese boats left after the gun duel, with the four coast guardmen on board.

Peiping Story
A Peiping radio broadcast, heard in Tokyo, said the ROK cutter opened fire on the Chinese boats which were attempting to rescue the seized craft. The broadcast also said the South Korean boat captured two Chinese fishermen.

Maritime Office Director Hong Jin Ki flatly denied the Peiping version.

**Predict Increase
In Cigarette Use**
WASHINGTON (AP)—A continuing gradual increase in use of cigarettes was forecast Monday night by the Agriculture Department, which estimated this year's output at 414 billion smokes.

That compares with 402 billion last year, 423 billion in 1953 and a record yearly output of 435½ billion in 1952. The department said consumption of king size, filter cigarettes made substantial gains this year.

One of the factors said to be working toward increased consumption in 1956 is the prospect that incomes will continue at high levels.

**Surgeon, Brother
Die 12 Hours Apart**
PHILADELPHIA (AP)—Dr. Thomas A. Shallow, 69, a founder of the American Board of Surgery and former president of the International College of Surgeons, died Monday at Jefferson Hospital.

His brother, Atty. Frank L. Shallow, 66, died 12 hours later in the same hospital where he had been a patient five months.

Dr. Shallow was a faculty member at Jefferson Medical College as well as a noted surgeon and served on the staffs of a number of hospitals in the Philadelphia area.
